Appointment Reminders and Online Appointment Scheduling

You can receive an appointment reminder to your email address, your cell phone (via a text message), or your home phone (via a computer generated voice message) the day before your scheduled appointments.

You can also enjoy the convenience of online scheduling at any time. Once your account is established, you simply visit **www.therapyappointment.com** and click on 'Find Your Therapist' in the upper right hand corner of the screen to schedule or reschedule your appointments. You may continue to schedule appointments in person or by telephone, but if you have Internet access, you are sure to enjoy the convenience of this online system.

This service is provided as a courtesy. A 3rd party is used to handle these reminders, and although the delivery rate is at 99%, there are circumstances where messages will not be successfully delivered (if users are on the phone, out of service, etc). **It is YOUR responsibility to record and keep any appointments that have been made, as we cannot guarantee you will successfully receive a reminder every time.**
